

# SPRINGWOOD FESTIVAL

*celebrating the History of Springwood*

Dear Stallholder,

You may have been a participant in our Springwood Festival in the past or you may be a new applicant. Whatever the case, it is once again time to consider your involvement.

Online applications at : [www.springwoodfestival.org.au](http://www.springwoodfestival.org.au)

As usual, Springwood will provide gorgeous weather and if we can judge from previous events, in excess of 15,000 people are expected to visit Springwood's picturesque main street on the day.

This is an opportunity not to be missed and has been an extremely popular event in years past and no doubt this year will be no different. For the full schedule of charges, see the table below

To ensure that there is as much variety as possible in products sold, please list every type of item you wish to sell on the day in your application. This will also help us allocate the most suitable position in the street for your stall and ensure Springwood Festival is another great success.

If you sell any food items at all, you will be classified as a food stall for the purpose of NSW Food Authority notification.

**Food stalls WILL be subject to Health Authority inspection on the day.** Refer to BM City Council food guidelines on [www.bmcc.nsw.gov.au](http://www.bmcc.nsw.gov.au) for information and on our website application pages [www.springwoodfestival.org.au](http://www.springwoodfestival.org.au)
